 The "5 Yr Incr." column denotes those teams who's current Team GPA is greater than the previous 5 year average.
 The team that is highlighted in green has the highest Team GPA within the respective gender group.
 Students are on multiple teams. So the average of the Team GPA's will not equal the Student Athlete averages.
 In the Team GPA 3+ chart, the GPA listed is the Average of the Team GPA's for each term.

Notes: Since this is a Fall report, the data in the last column does not represent a Year Average, as the others do.

These charts use Cumulative GPA Team averages, unweighted, including only those students active for Fall.

In the GPA chart (on the left side), highlighted teams have a current year average greater than the previous year.

In the Percent Change chart (on the right side), the team names highlighted in GREEN show a positive improvement over the past five years.

In the Five-Year-Sum column, the highest and lowest percent change is highlighted in green and red, respectively.
